

“Don’t Kid Yourself!”

*The Importance of Oral/Injectable Contraceptives
and Cancer Risk*

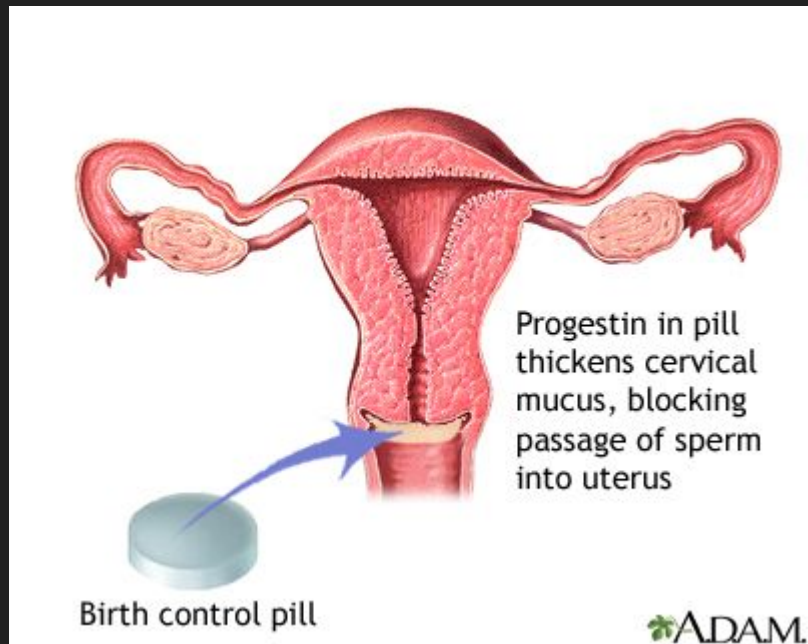

Imagine your future with a baby...

- **Uneducated.** 33% of teens who get pregnant don't finish high school.
- **Impoverished.** 75% of teen moms are on welfare by the time their baby is 5 years old.
- **Unprepared.** The average parent spends \$10,000 on their baby in the first year.
